Twinkle, Twinkle Little Star is a beautiful lullaby to share with your child. Do you know that there are 4 verses to the song? Why not learn all the words together as a family?

If your child is older you could take about the words that rhyme such as 'high' and 'sky'. These words end in the same phoneme or sound 'igh' despite being spelt differently. What others rhyming words can they hear in the lullaby?

A page with a dark blue background decorated with white stars and yellow crescent moons. In the center, there is a white rectangular box with a dashed border. Inside the box, the title 'TWINKLE, TWINKLE, LITTLE STAR' is written in bold black letters. Below the title is a small yellow star icon. The lyrics of the song are written in a simple font, with the first line of each verse indented. At the bottom of the box, there is a small illustration of a blue planet with a ring and two yellow stars. Below the box, the text '© Love To Sing' is visible.

TWINKLE, TWINKLE, LITTLE STAR

★

Twinkle, twinkle, little star,
how I wonder what you are!
Up above the world so high,
like a diamond in the sky.
Twinkle, twinkle, little star,
how I wonder what you are!

When the blazing sun is gone,
when he nothing shines upon,
Then you show your little light,
Twinkle, twinkle, all the night.
Twinkle, twinkle, little star,
how I wonder what you are!

Then the traveler in the dark,
thanks you for your tiny spark.
Could he see which way to go?
If you did not twinkle so?
Twinkle, twinkle, little star,
how I wonder what you are!

In the dark blue sky you keep,
while you through my curtains peep,
And you never shut your eye,
Till the sun is in the sky.
Twinkle, twinkle, little star,
how I wonder what you are!
