

## Who's Going to Bed?

**Hull City Council is working in partnership with the Dollywood Foundation**

Can your child remember the characters from the story – the pirates, animals, bears and royalty?

Who's Going to Bed? is a lovely story by Abie Longstaff and Eve Coy. Find out what happens when a not so sleepy baby meets animals, pirates and a dragon.

What does the little dragon want it do?

The book contains lots of sound words which are written in a different type of script to make them stand out such as *Bang* and *CRASH*.

Let your child make musical instruments from the pots and pans in the kitchen. You can always encourage this outside!!!
