

Hull City Council is working in  
partnership with the  
Dollywood Foundation

Lee and Barnaby like doing things together such as baking or gardening. What do you enjoy doing as a family? You could try some of these ideas.....

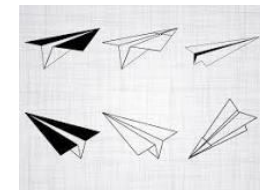

Lee and Barnaby are brothers. Some days they get on, some days they don't. But things change when Barnaby starts school and tensions run high. A lovely book which looks at the relationship of siblings.

Go on a bug hunt

Make and fly a paper plane

**Families:** Talk to your child about who is in your family. Do they have any brothers or sisters? Are they older or younger?

You could always make a collection of photographs (physically or digitally) for you to look at and share, especially if you don't see them regularly.

Plant some seeds and watch them grow

Cook a healthy meal together
