Talk to your child about the different elements of a fairy tale such as the characters, moral and how it has a beginning, middle and an end. Often the story will start with the phrase 'Once upon a time.....'

You Choose Fairy Tales is a wonderful book written by Nick Sharratt and Pippa Goodhart in which you can choose the characters, places and items in your own Fairy Tale.

It is a great book to talk about the features of fairy tales such as a hero, baddies and companions. Each time you can make your story different.

What about *Goldilocks* travelling down the *yellow brick road* with the *big bad wolf* to the *gingerbread house*?

If your child doesn't know some of the traditional stories why don't you borrow them from your local children's library? Many of these stories have been adapted for younger children.

The Central Library can be found on Albion Street in the City Centre.
